Dear Santa Clara County Staff:

Santa Clara County Supervisorial Redistricting Plans

I wish to express my strong opposition to Draft Plans Commissioners, X2, X3, and Unity.

With either Draft Plan X2 or Draft Plan X3 there would not be a Hispanic/Latinx majority supervisorial District (SD).

The Commissioners Draft Plan would have a majority of the San Jose Evergreen area, an area with an Asian majority, in SD1, an SD which includes Morgan Hill and Gilroy.

The Unity Draft Plan actually divides the San Jose Evergreen area among three supervisorial districts! With this redistricting plan part of the San Jose Evergreen area would be in SD1. The Unity Draft Plan doesn't have a majority Asian CVAP SD.

Placing most or all of the Evergreen San Jose neighborhood into SD1, an SD which includes Morgan Hill and Gilroy, is a very bad idea.

Thank you for your consideration.

Sincerely,

James Nakamura
