Hello,

My name is Bruce Preville and I am a resident of Los Gatos.

I am writing in support of the **Equal & Equitable 2.0 map**.

**I support th E&E 2.0 redistricting map is because**

(1) Mountains and rural areas including: Los Gatos, Almaden, Gilroy, Morgan Hill, Gilroy and San Martin in District 1 are kept in the same county district to facilitate **wildfire prevention, preparedness, and emergency operations**.

(2) This map joins communities with **similar transportation systems**

(3) It **keeps all cities whole** in one district except for San Jose

(4) It appears to have **similar racial voting age population percentages** to maps such as the most recent labeled Unity Map.

I am opposed to the Unity map because the Equal & Equitable 2.0 maps have more items that I identify with.

Best,  
Bruce Preville
