Subject: [EXTERNAL] Need to retain a semblance of our current District 1
Date: Monday, October 25, 2021 3:25:36 PM

As a resident of Morgan Hill I do not feel our community will be fairly represented in most of the new proposed redistributions. Please select a distribution that keeps the southern end of Santa Clara County (south San Jose, Los Gatos, Almaden Valley, Morgan Hill San Martin, and Gllroy) together. The only one that appears to do this is the EE2 & Unity Compromise 2 map.

Please consider this when selecting.
