Comm. Nguyen’s Map, V3 (COI #TBD, DistrictR 68547)
- Santa Clara made intact
- Made sure district boundaries followed city limits
-LG and MS to D5
-D1 moved north, took more unincorp. county from D2
More on 63774 → 68547

- LG and MS to D5 because of commonalities (i.e. HS school district)
- D5 bigger: parts of west SJ → D4
- D1 smaller: include parts of south D2
- D2 smaller: include Evergreen, The Villages
Neighborhoods and COIs

- Definitive boundaries of large neighborhoods hard to find (i.e. Berryessa)
- Most neighborhoods mostly intact

- COI list made from COI testimony
COI Analysis

- COI included if:
  - Geographic boundaries were provided
  - A rationale for consideration as a COI was provided
- 20 COIs identified
- Map 68547 keeps 13 intact
  - Of other seven, six spanned multiple cities
Next Steps

- Find boundaries for large neighborhoods
- Potentially change (DistrictR ID 68636):
  - The Villages D2→D1, Seven Trees D1→D2
  - Total deviation 2.32%→5.48%
- Other steps?
