 Danielle Christian, Legislative Manager
SUBJECT: Communities of Interest Testimony from District 5

RECOMMENDED ACTION

Consider recommendations relating to Communities of Interest.

Possible action:

- a. Receive public testimony.
- b. Receive testimony from Communities of Interest representatives.
- c. Receive testimony from Supervisorial District Five Commissioners Malone, Tom, and Zoglin.
- d. Receive verbal report from Redistricting Partners relating to summary of testimony and potential impacts.

REASONS FOR RECOMMENDATION

At the September 1, 2021 meeting of the 2021 Advisory Redistricting Commission, (Item No. 6), the Commission approved a targeted outreach schedule as follows:

Date	Supervisorial District
September 22, 2021	District 4
September 29, 2021	District 5
October 6, 2021	District 2
October 13, 2021	District 3
October 20, 2021	District 1

The Commission will receive public testimony, group presentations, and hear from commissioners representing the supervisorial district. Testimony shared with the commission should cover the following questions that are outlined on the Community of Interest form:

- Does your community have a shared culture, interests, activity, business, or bond?
- Does your community live in a concentrated area?
 - Can you draw your community on a map?
 - Is there density within your community (many people in your community living closely together)?
- Describe how your community is affected by policy decisions made by the Board of Supervisors.

The final component of the Communities of Interest item will be a verbal report from Redistricting Partners to summarize testimony received during the meeting and submissions received and published on the County's redistricting website (www.sccgov.org/2021redistricting/COI). Members of the public, groups or organizations, and Commissioners are invited to submit their own Community of Interest form or draw their community on the County's redistricting website to be discussed by the Commission.

The summary by Redistricting Partners will identify potential impacts associated with the received testimony and they will facilitate a discussion among the Commissioners of their viewpoints, what testimony might be missing, and what factors could be incorporated into future mapping sessions. The information below provides additional information on each component of the meeting.

Public Testimony

Members of the public will be provided the opportunity to share information on their community of interest for up to two minutes each. This information will be shared as public comment and the Commission will have an opportunity to discuss at the end of the item. If members of the public wish to also submit their testimony in writing, or provide additional information, they can email the redistricting team (2021redistricting@ceo.sccgov.org) to have their testimony added to the County's redistricting website (www.sccgov.org/2021redistricting/COI).

Communities of Interest Representatives

Groups or organizations who sign up in advance by emailing the redistricting team (2021redistricting@ceo.sccgov.org) will each have up to five minutes to make a presentation. After each presentation, the Commission will have the opportunity to ask questions of the presenters. Staff will work with groups to have presentations added to the agenda as quickly as possible. For the September 29, 2021, meeting, staff has contacted representatives from ¡Sí Se Puede! Collective and Leadership, Education, Activism, and Dialogue (L.E.A.D.) Filipino to present.

Supervisory District Five Commissioners

Commissioners Malone, Tom, and Zoglin will have up to three minutes each to share information on their neighborhood and important information on their current district. Information can be shared verbally or submitted to staff to be added to the agenda.

CHILD IMPACT

The recommended action will have no/neutral impact on children and youth.

SENIOR IMPACT

The recommended action will have no/neutral impact on seniors.

SUSTAINABILITY IMPLICATIONS

The recommended action will have no/neutral sustainability implications.

BACKGROUND

Every 10 years, following the release of data from the decennial Census, jurisdictions that elect members of their legislative body by districts must revise district boundary lines to ensure the districts are consistent with federal, state, and local legal requirements.

In April 2021, the Board of Supervisors established a framework for the 2021 Redistricting Process, which included the establishment of a fifteen-member 2021 Advisory Redistricting Commission.

CONSEQUENCES OF NEGATIVE ACTION

The Commission would not receive this report on communities of interest.
