SUBJECT: Overview of the 2021 Redistricting Process and Related Activities

RECOMMENDED ACTION

Receive report from the Office of the County Executive and Office of the County Counsel relating to an overview of the 2021 redistricting process and related activities.

REASONS FOR RECOMMENDATION

The County of Santa Clara 2021 Advisory Redistricting Commission has held ten meetings since July 2021 to gather community feedback to develop updated district boundaries and draw a map(s) that ensure fair representation. Through these public hearings, mapping sessions, and the collection of community input, the Commission may formulate one or more recommended maps for the Board of Supervisors' consideration. The Board must adopt a final map on or before December 15, 2021.

Staff will provide an overview of the 2021 redistricting process, related activities, and legal criteria to the Commission.

CHILD IMPACT

The recommended action will have no/neutral impact on children and youth.

SENIOR IMPACT

The recommended action will have no/neutral impact on seniors.

SUSTAINABILITY IMPLICATIONS

The recommended action will have no/neutral sustainability implications.

BACKGROUND

Every 10 years, following the release of data from the decennial Census, jurisdictions that elect members of their legislative body by districts must revise district boundary lines to ensure the districts are consistent with federal, state, and local legal requirements. In April

2021, the Board of Supervisors established a framework for the 2021 Redistricting Process, which included the establishment of a fifteen-member 2021 Advisory Redistricting Commission.

CONSEQUENCES OF NEGATIVE ACTION

The Commission would not receive this informational report.
