

# Pure Storage Re-Opening

# How we are making it safe for employees to return to work + reinvigorating the economy

Optional return to office for employees

Required daily health checks

**Daily enhanced cleaning & health stations on each floor**

6' social distancing at all workstations and in any office movement

Required (and provided) PPE

Implementing contact tracing solution protocols for all returning employees

# WHAT WE NEED

Continued support of local leaders around community health & safety

Flexibility to allow removal of face coverings at desks with proper social distancing protocols met

Monitoring of public transportation readiness to keep employees safe to and from work

# Thank You & Questions
