# 3 GOALS FOR REPOPULATION

1. Ensure that student-athletes, coaches and staff are screened, equipped, and educated on proper protocols and that communication procedures are in place to provide a smooth transition back to campus and activity.
2. Improve/increase overall hygiene practices, equipment sanitization, and utilization of resources available to mitigate the contraction and spread of common illnesses and communicable diseases.
3. Promote and implement a safe return, re-engagement and transition of student-athletes, coaches and staff to campus, training, and competition.

# PHASE I PROTOCOL

- Upon arrival in San Jose, student-athletes will be quarantined for 7-14 days to allow for one negative COVID-19 test.
- Student-athletes will be required to complete a daily questionnaire through ARMS compliance software (e.g. reporting temperature and any other virus-like symptoms)
- Upon receipt of a negative COVID-19 test, student-athletes will work with the sports medicine team to complete their pre-participation physicals following modified clinic and facility practices.

# PHASE II PROTOCOL

- Limited scheduled activities in groups no larger than 12 student-athletes.
- Cleaning and sanitization practices will be strictly adhered to and maximum space occupancy will be determined for individual and group activities per guidelines.
- Building access will require a daily temperature check and wellness screening.
- No student-athlete access to locker rooms during this phase.
- Use of strength and conditioning equipment following strict social distancing guidelines and workout “pods.” All activities will take place using outdoor facilities and/or open-air facilities.
- Film review and team meetings will take place virtually.

**QUESTIONNAIRE RELATING TO THE ECONOMIC RECOVERY  
PHASES OF COVID-19 AND PLANS, GUIDELINES, AND NEEDS  
RELATIVE TO THE SAFE OPENING OF BUSINESSES AND OTHER  
INSTITUTIONS**

**Company/Organization Name: San Jose State University**  
**Industry/Sector: Division of Intercollegiate Athletics**  
**Date: 6/04/2020**

1. Are you open or partially open? **YES**
  - a. Are you an essential business? **YES**
  - b. Are you open under an exception such as: **NO**
    - i. Outdoor Business?
    - ii. Pickup/Delivery?
    - iii. Curbside Retail?
    - iv. Food Distribution?
  - c. Have employees and customers cooperated with the health safety protocols? **YES**
  - d. To your knowledge, have employees or customers become infected with COVID-19? **YES**

2. How many of your activities can be moved outdoors? **Activities during repopulation will be outdoors or in open air environments**

3. For indoor activities:
  - a. How can social distancing be maintained at points of ingress and egress, where people normally cluster?

Once indoor facilities open careful planning is in place to ensure ingress and egress practices take place.

- b. How can employees and visitors be protected from transmission of the virus (e.g., no-touch temperature checks, hand sanitizer, masks, and face shields)?

No visitors will be allowed and under guidance of our sports medicine team protected practices will be in place.

- c. How will Personal Protective Equipment (such as face covering and gloves) and hand sanitizer be provided before entry?

Coaches and staff will have access to PPE throughout the day and hand sanitizers will be available throughout athletics footprint.

- d. Can the times of activities be staggered to reduce the amount of people gathered at any one time?

**YES**

- e. Can customers make appointments to gain entry while inside capacity is restricted?

**NO**

- f. How can social distancing be maintained inside your premises?

Our COVID-19 Team has spent considerable time outlining a plan to ensure social distancing is taking place in each of our footprints.

- 4. What is your plan to acquire and distribute Personal Protective Equipment (like masks and gloves) and testing to your employees?

Coaches and staff will be tested upon return to campus. Current plan only involves return to campus and return to practice. As we move through July and August, we will prepare for return to competition. With each Phase of return, coaches and staff will be tested.

- 5. How can you adapt to accommodate different size gatherings that may be allowed by the Public Health officer? (Smaller gatherings are likely to be allowed before very large ones.)

Athletes will be placed in "pods" and move as a pod throughout the day. These pods will contain between 8-10 student-athletes

6. To meet the need for possible contact tracing, how would you maintain lists of employees and visitors with their contact information for contact tracing? (It is understood that lists of attendees would only be provided in the event of an infection that needed to be traced, and then only to public health personnel trained in medical confidentiality.)

A simple roster of coaches and staff will be maintained to conduct contact tracing, if necessary.

7. In order to assist safe and productive re-opening, what are your needs relative to:

a. Regulation? Need approval to return from Santa Clara County Health

Officials, CSU Chancellor's Office and President Papazian.

b. Licensure? NA

c. Childcare? NA

d. Housing? Stated above

e. Digital Inclusion? NA

f. Commute-Free Working? NA

8. If you have been opened or partially opened, what challenges have you experienced?

Campus has been opened; however, everyone in Athletics has been working remotely.

9. If you have been opened or partially opened, how has the community's adherence and response to the COVID health safety protocols been?

SJSU has been strictly following COVID-19 health and safety protocols for its essential workers.
