

REOPENING CONSIDERATIONS

Chris Meyercord

President

Bellarmino college Preparatory

OVERALL CONSIDERATIONS

- ▶ Daily health checks in place for all employees (temperature, questionnaire, etc.)
 - ▶ Required for visitors? Or just that they wear masks?
 - ▶ How long would a person need to be in a place before a “higher level” of check would be required?
 - ▶ (Masks required in grocery store, but not a health check. What about for students? Can minors answer health checks for themselves, or must a guardian?)

SUMMER SCHOOL

Mostly will be online

Will have very limited
number of classes in
person, in stable groups of
12

Would like to do more as
the summer progresses

Unclear what is permissible
for outdoor camps –

Still stable groups of 12?
Or 25?

Health checks for all employees and students every day?

Social distancing throughout campus – hallways, bathrooms.
Some spaces harder than others

Masks for students and teachers throughout the day? Are shields acceptable? (and is it okay to divert this resource to teachers? Moreso if we 3d print our own?)

Protecting those with pre-existing conditions is important and challenging – for students to learn from home, and for teachers to teach from home

Stable groups are not possible for high schools

OPENING SCHOOL IN THE FALL

How will a determination be made about how many students are allowed on campus? (In a classroom and in aggregate)

Will carpooling be permissible?
Advisable?

To what degree are people thinking about activities beyond the classroom – very important for students' social-emotional development

FURTHER FALL CONSIDERATIONS

**QUESTIONNAIRE RELATING TO THE ECONOMIC RECOVERY
PHASES OF COVID-19 AND PLANS, GUIDELINES, AND NEEDS
RELATIVE TO THE SAFE OPENING OF BUSINESSES AND OTHER
INSTITUTIONS**

Company/Organization Name: Bellarmine College Preparatory

Industry/Sector: Education

Date: 6/02/2020

1. Are you open or partially open? **YES**
 - a. Are you an essential business? **YES**
 - b. Are you open under an exception such as: **NO**
 - i. Outdoor Business?
 - ii. Pickup/Delivery?
 - iii. Curbside Retail?
 - iv. Food Distribution?
 - c. Have employees and customers cooperated with the health safety protocols? **YES**
 - d. To your knowledge, have employees or customers become infected with COVID-19? **NO**
2. How many of your activities can be moved outdoors? **Not very many**
3. For indoor activities:
 - a. How can social distancing be maintained at points of ingress and egress, where people normally cluster?

Doors for entrance and doors for exit
 - b. How can employees and visitors be protected from transmission of the virus (e.g., no-touch temperature checks, hand sanitizer, masks, and face shields)?

no-touch temperature checks, hand sanitizer readily available, required masks for all

- c. How will Personal Protective Equipment (such as face covering and gloves) and hand sanitizer be provided before entry?

Face coverings provided for employees. Gloves for kitchen. Masks required of all visitors

- d. Can the times of activities be staggered to reduce the amount of people gathered at any one time?

YES

- e. Can customers make appointments to gain entry while inside capacity is restricted?

YES

- f. How can social distancing be maintained inside your premises?

By marking out spaces around campus

- 4. What is your plan to acquire and distribute Personal Protective Equipment (like masks and gloves) and testing to your employees?

We have acquired much of this already

- 5. How can you adapt to accommodate different size gatherings that may be allowed by the Public Health officer? (Smaller gatherings are likely to be allowed before very large ones.)

We will only hold smaller gatherings for the time being

- 6. To meet the need for possible contact tracing, how would you maintain lists of employees and visitors with their contact information for contact tracing? (It is understood that lists of attendees would only be provided in the event of an infection that needed to be traced, and then only to public health personnel trained in medical confidentiality.)

We would significantly limit visitors and track all of them.

- 7. In order to assist safe and productive re-opening, what are your needs relative to:
 - a. Regulation? NA

- b. Licensure? NA
- c. Childcare? NA
- d. Housing? NA
- e. Digital Inclusion? NA
- f. Commute-Free Working? Not feasible for many

8. If you have been opened or partially opened, what challenges have you experienced?

Just keeping up with all of the changing protocols as they are announced.

9. If you have been opened or partially opened, how has the community's adherence and response to the COVID health safety protocols been?

Generally very positive and receptive
