

# Items related to re-opening Harker School

June 8, 2020

For Santa Clara County Special Hearing

# COVID planning update

## Little Guidance thus far:

- **We are planning for lots of possibilities, in a vacuum**
  - **Inefficient**
  - **Uncertainty**

## Possible modes:

- All remote
- In person
- In person with remote
- Modified in person with remote

# COVID planning update

## Key Questions:

- **Will there be number restrictions**
  - **Absolute?**
  - **Based on space limitations?**
    - Linear**
    - Square footage**
    - Volume**
- **Are there limitations on mixing**
  - How many**
  - How often**

# COVID planning update

## Things we are already doing to get ready

- Teams to review
  - Medical
  - Environmental
  - Academic program
  - Extracurricular program
- Facilities modification
  - Airflow
  - Sanitation materials and processes

# COVID planning update

Small to medium things considering

- Child care
- Temporary housing
- Food court

Big things we are considering

- Zoomers everywhere
- Extra aids

**QUESTIONNAIRE RELATING TO THE ECONOMIC RECOVERY  
PHASES OF COVID-19 AND PLANS, GUIDELINES, AND NEEDS  
RELATIVE TO THE SAFE OPENING OF BUSINESSES AND OTHER  
INSTITUTIONS**

**Company/Organization Name: The Harker School**

**Industry/Sector: Education - PS-12**

**Date: 6/05/2020**

1. Are you open or partially open? **YES**
  - a. Are you an essential business? **YES**
  - b. Are you open under an exception such as: **NO**
    - i. Outdoor Business?
    - ii. Pickup/Delivery?
    - iii. Curbside Retail?
    - iv. Food Distribution?
  - c. Have employees and customers cooperated with the health safety protocols? **YES**
  - d. To your knowledge, have employees or customers become infected with COVID-19? **NO**
2. How many of your activities can be moved outdoors? **Some**
3. For indoor activities:
  - a. How can social distancing be maintained at points of ingress and egress, where people normally cluster?  
  
Good question.
  - b. How can employees and visitors be protected from transmission of the virus (e.g., no-touch temperature checks, hand sanitizer, masks, and face shields)?

All of these noted.

- c. How will Personal Protective Equipment (such as face covering and gloves) and hand sanitizer be provided before entry?

We are working on this plan

- d. Can the times of activities be staggered to reduce the amount of people gathered at any one time?

**YES**

- e. Can customers make appointments to gain entry while inside capacity is restricted?

**NO**

- f. How can social distancing be maintained inside your premises?

Lots of ways - we are a school. Unidirectional pathways, spread seating, limiting

- 4. What is your plan to acquire and distribute Personal Protective Equipment (like masks and gloves) and testing to your employees?

We are working on this now

- 5. How can you adapt to accommodate different size gatherings that may be allowed by the Public Health officer? (Smaller gatherings are likely to be allowed before very large ones.)

We are wondering what will be allowed

- 6. To meet the need for possible contact tracing, how would you maintain lists of employees and visitors with their contact information for contact tracing? (It is understood that lists of attendees would only be provided in the event of an infection that needed to be traced, and then only to public health personnel trained in medical confidentiality.)

Is this a role that you expect expect businesses to take on?

7. In order to assist safe and productive re-opening, what are your needs relative to:
- a. Regulation? Guidance about what we can and cannot do, and we will plan from there
  - b. Licensure? NA
  - c. Childcare? We may need to provide to our teachers if their children' schools are closed
  - d. Housing? Not sure
  - e. Digital Inclusion? What does this mean?
  - f. Commute-Free Working? None

8. If you have been opened or partially opened, what challenges have you experienced?

None so far - we have limited personnel on campus keeping programs running for students for students at home.

9. If you have been opened or partially opened, how has the community's adherence and response to the COVID health safety protocols been?

Good
